ORGANISATION CONTEXT

About

Aboriginal Housing Victoria (AHV) is an Aboriginal¹ community organisation responsible for managing more than 1,800 rental properties for Aboriginal people living in Victoria.

Our vision is to ensure that Aboriginal Victorians secure appropriate, affordable housing as a pathway to better lives and stronger communities.

In addition to being the largest Aboriginal Registered Housing Agency in Australia, AHV is the lead agency for Victoria's Aboriginal housing and homelessness policy, *Mana-na woorn-tyeen maar-takoort*. As the housing and homeless policy lead in the Victorian Aboriginal community, AHV has a responsibility to work in partnership with the Government to secure the resources and reforms to implement the policy, while we support sector development to empower Victoria's Aboriginal community to determine its chosen housing future.

AHV's housing services are targeted to those most in need of support. Through the provision of secure housing by an Aboriginal rental provider, AHV helps strengthen and maintain Aboriginal communities and cultural ties.

Values

Aboriginal cultural values underpin AHV's values. Our values provide an ethical framework within which all decisions are made, and our services are delivered. Our values guide how we relate to our clients, each other and to the Aboriginal and non-Aboriginal community.

Respect and support for Aboriginal identity and culture and for our tenants and stakeholders

Striving for excellence through leadership in Aboriginal housing and best practice service delivery

Integrity, trust and honesty in all our business activities

Collaborative relationships with our community, tenants, government and stakeholders

Kindness, compassion, courtesy and dignity in our relationships with our clients, our stakeholders and with each other

AHV is also committed to promoting and protecting the interests and safety of children.
